Group Sustainability Policy

New World Development Company Limited

1. Our Belief

New World Development sets a long-term vision to build a better society through innovation and sustainable growth. We strive to embed craftsmanship, innovation and sustainability into our business operation. We are committed to minimising environmental impacts, promoting green and healthy living, and improving the quality of the communities where we operate while providing a reasonable return to our investors.

2. Commitment

We Strive to:

- Exceed statutory requirements in relation to sustainability issues and apply innovation to improve the environment and the society;
- Engage our stakeholders on our sustainability performance and gather feedback for improvement;
- Minimise the potential environmental impacts of our operation and ensure product quality and responsibility;
- Curate an artisanal living experience that prioritises green and wellness aspects;
- Enhance the quality of life for the communities where we operate;
- Provide a safe and caring working environment for our employees and support their ongoing learning and development;
- Influence our value chain, including our suppliers and business partners, to share our belief and practices with regard to sustainability; and
- Strengthen our governance of sustainability performance through monitoring and reporting.

3. Review of Policy

Necessary changes to the Policy due to legislative changes and the emergence of best practices will be proposed to the Group Sustainability Steering Committee by the Group Sustainability Department for review, in any event, at least once every three years, and Sustainability Committee for approval and adoption.

4. Implementation of this Policy

- This Policy is available in both English and Chinese. In the event of any discrepancy between the two versions, the English version shall prevail.
- Please contact Group Sustainability Department via email (sustainability@nwd.com.hk) for enquiries on this Policy.

THE END
